Dear Immigration Officer:

I am writing this letter in support of my spouse, **[Beneficiary's Name]**, who is facing the possibility of deportation. As a U.S. citizen and their spouse, I find myself in a situation of extreme hardship, as their absence would have a devastating impact on our family.

My spouse has been a fundamental pillar in our home. We depend on them emotionally and financially. I, personally, face health challenges that require their daily support. Additionally, our youngest child, **[Child's Name]**, has special educational needs that we have only been able to manage thanks to my spouse's constant help.

If my spouse were deported, I would be unable to meet our financial and emotional obligations, which would severely affect our stability. I am also deeply concerned about the conditions in **[Beneficiary's Country of Origin]**, where they face significant risks that could endanger their well-being.

I kindly request that you review our situation and consider this letter along with the attached evidence. I hope that you will allow our family to remain united in the country we call home.

Thank you in advance for your time and understanding.

Sincerely,
[Your Name]
